Practice Policies

Scheduling & Appointments

Deposit for Extended Appointments

- For appointments scheduled for 1 hour (or more), a **\$100 deposit** is required at the time of scheduling. This deposit applies to extensive procedures OR siblings scheduled for combined appointments exceeding 1 hour.
- The deposit will be applied to the total cost of treatment. If there are no out-of-pocket costs, the deposit will be refunded upon arrival. Please note that deposits are not refunded if the appointment is missed, canceled, or rescheduled with less than 48 hours' notice.

Cancellation Policy

- To provide timely care, we kindly ask for at least 48 hours' notice if you need to cancel or reschedule an appointment. Cancellations or changes made with less than 48 hours' notice will incur a \$75 fee, in addition to any forfeited deposits for longer appointments. Missed appointments ("no-shows") may also result in future scheduling restrictions that require a deposit.

Fees and Payment Policies

In an effort to make needed services more affordable, payment for professional services is due at the time dental treatment is provided. If you have insurance, then your co-payment is due as service is rendered. If an account shows an overdue balance, future treatment may be delayed until the balance is cleared. The accompanying adult and/or parent is responsible for payment at the time of the appointment. For your convenience, we accept cash, debit cards, checks, and major credit cards. A 3.99% fee will be applied to all payments made with a credit card. This fee can be avoided by paying with a debit card, check, or cash.

Dental Insurance

In-Network Insurance Patients: We are a preferred provider for many major insurance dental plans. If we are an in-network provider for your policy, we will file your claim as a courtesy and will accept estimates of benefit payments from these insurance companies. Your portion of co-payment and/or co-insurance is due at the time of service. Please keep in mind that **this is only an estimate of what your insurance will cover for you.** If there is any difference after your insurance pays, we will contact you to make the necessary adjustments.

Out of Network Insurance Patients: If we are out-of-network for your insurance, please check for any out-of-network benefits and we will file our claims for you. Although we can estimate what your insurance company will pay, there is no guarantee of reimbursement. Therefore, we require payment in full on the day of service.

Patients without Dental Insurance: For those without dental insurance, payment is required the same day services are rendered, regardless of who accompanies that child to his or her appointment. It is important to understand that your insurance is a contract between you, your employer, and the insurance company, not our office. We are not responsible for how your insurance company handles its claims or for what benefits they pay on a claim. We can only assist you in estimating your portion of fees for treatment. We cannot guarantee what your insurance will or will not do with each claim. We cannot be **responsible for the accuracy** of any insurance information. **You are responsible for payment not paid by your insurance company.**

Payment Plans: For certain services, we offer payment plans that can be arranged in advance. Please speak with our team to explore the options available.

I have read the above conditions and agree with its content.

Privacy Policy

We reserve the right to change our privacy practices and the terms of this Notice of Privacy Practices at any time, provided such changes are permitted by applicable law. We reserve the right to make any changes in our privacy practices effective for all PHI that we maintain, including health information we created or received before we made the changes. In the event of a change in our practices, we will provide you with a copy of the revised Notice of Privacy Practices through one or more of the following methods: posting the Notice of Privacy Practices to our website, mailing you a copy, or providing you a copy at your next appointment with us. You may request a copy of our current Notice of Privacy Practices at any time.

HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

Treatment: We may use or disclose your PHI to personnel in our office, as well as to physicians and other healthcare professionals within or outside our office, who are involved in your medical care and need the information to provide you with medical care and related services. For example, we may use or disclose your PHI in consultations and/or discussions regarding your medical care and related services with healthcare providers who we refer to and receive referrals from. We require authorization to disclose your PHI to healthcare providers not currently involved in your care.

Payment: We may use and disclose your PHI to obtain payment for services we provide to you. If you personally pay in full for service(s), you have the right to restrict us from disclosing your PHI with respect to that service(s) to your health plan/insurer. For example, we may give your health insurance provider information about you so that they will pay for your treatment.

Healthcare Operations: We may use and disclose your PHI in connection with our healthcare operations. Healthcare operations include quality assessment and improvement activities, reviewing the competence or qualifications of healthcare professionals, evaluating practitioner and provider performance, conducting training programs, accreditation, certification, licensing, and credentialing activities. For example, we may disclose PHI to medical students who are performing work with our office or call your name in the reception area.

Appointment Reminders and Other Contacts: We may disclose PHI while leaving phone messages and in providing you with appointment reminders via phone messages, postcards, or letters.

Business Associates: We may disclose PHI to our business associates, such as billing services or healthcare professionals providing services as independent contractors, for the purpose of performing specified functions on our behalf and/or providing us with services. PHI will only be used or disclosed if the information is necessary for such functions or services. All our business associates are obligated to protect the privacy of PHI and are not allowed to use or disclose any PHI other than as specified in our contract with them.

Data Breach Notification: We may use or disclose your PHI to legally provide required notice of unauthorized access to or disclosure of your PHI.

Required by Law: We may use your PHI when we are required to do so by law. Such circumstances include, but are not limited to, compliance with a court order, mandatory reporting due to serious or imminent threats to the public, mandatory reporting of child abuse or neglect, in response to government agency audits or investigations, and reporting disclosures to the Secretary of the Department of Health and Human Services as necessary for the purpose of investigating or determining our compliance with HIPAA and Health Information Technology for Economic and Clinical Health Act (HITECH) rules.

YOU MAY PROVIDE ADDITIONAL AUTHORIZATION

Marketing Uses: We may only use or disclose your PHI for marketing purposes if you authorize us to do so. Such authorization would allow us to disclose PHI to a third-party vendor business associate for the purpose of providing you with targeted supplementary products or services when your physician believes such offerings will be of value to you. Your authorization may be revoked in writing at any time. Revocation of authorization will not affect any use or disclosures permitted by your authorization while it was in effect.

To Others upon Your Specific Authorization: In addition to our use of PHI as described in this Notice of Privacy Practices, you may give us written authorization to use your PHI or to disclose it to anyone for any purpose. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosures permitted by your authorization while it was in effect. If the Practice maintains any psychotherapy notes, they will not be released unless you sign an authorization or if

otherwise required by law. Consistent with the Genetic Information Nondiscrimination Act (GINA), our Practice will not use or disclose your genetic information to insurance providers or others for underwriting purposes.

PATIENT RIGHTS

You have the right to inspect and receive copies of your PHI, or to receive your PHI electronically, with limited exceptions. You may also request that we prepare a summary or an explanation of your PHI. If we maintain your PHI in electronic format, you may request to view your PHI in that format. You may request that we provide copies or the summary in a format other than photocopies. We will use the format you request unless it is not practicable. To obtain copies or a summary, you must make a request in writing and provide us a reasonable amount of time to respond, generally thirty (30) days. You may send a letter to or request a form from us using the contact information listed at the end of this Notice of Privacy Practices. We will charge you a reasonable cost-based fee for expenses such as copies, postage, scanning cost, electronic data compilation costs, and/or staff time.

QUESTIONS AND COMPLAINTS

If you want more information about our privacy practices or have questions, please contact us. If you are concerned that we may have violated your privacy rights or disagree with a decision we made about access to your health information or in response to a request you made to amend or restrict the use or disclosure of your health information or to have us communicate with you by alternative means or at alternative locations, you may complain to us using our contact information. You may submit a written complaint to the U.S. Department of Health and Human Services. We will provide you with the address to file your complaint with the U.S. Department of Health and Human Services upon request. We support your right to the privacy of your health information. We will not retaliate in any way if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.

I understand that my child has rights to privacy regarding his or her protected health information. These rights are provided under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) which went into effect on April 14, 2003. I understand that by signing this consent I authorize Acorn Pediatric Dental and their staff to use and disclose my child’s protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in this treatment);
- Obtaining payment from third party payers (e.g. your insurance company);
- The day-to-day healthcare operations of the practice.

I have been informed of and given the right to review and secure a copy of the Notice of Privacy Practices, which contains a more complete description of the uses and disclosures of my child’s protected health information, and my child’s rights under HIPAA. I understand that Acorn Pediatric Dental reserves the right to change the terms of this notice from time to time and that I may contact this office at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions of how my child’s protected health information is used and disclosed to carry out treatment, payment, and health care operations, but that Acorn Pediatric Dental is not required to agree to these requests. However, if the restrictions are agreed to then they must be complied with.

I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.

I have read the above conditions and agree with its content.
